Corridor Panel / DND MUR Panel

1. Corridor Panel with Room Number or Logo
2. Corridor Panel with Room Number & Logo Vertical
3. Corridor Panel with Room Number & Logo Horizontal

All panel is a crystal glass finish with Hotel Room number and Logo. The Hotel Room Number and Logo will glow when occupied or as per requirement. It has got 3 indiacation 'Do Not Disturb', 'Make My Room' and Laundry. It glows when activated by the guest. It has touch button for door bell but when the DND is activated by guest the bell does not ring. The panel is vertically fitted and looks great on the wall. Also the glass size is big but the conceal box is of any 2 module standard size box on the wall. Thus fits into existing bell switch 2 gang box. Can be installed into existing hotel room.
